TURASANNA / TRIPS

Cé gur chuir Covid stop le go leor de na gnáthrudaí a rinneadh sa cheathrú bliain bhí an t-ádh linn dul ar a lán turais iontacha i mbliana.

Although Covid put a stop to a lot of the normal things done in fourth year we were fortunate enough to get to go on a lot of amazing trips this year.

FOIRNE/ TEAMS

I rith na mbliana ghlacamar go léir páirt i go leor foirne éagsúla pé má raibh sé an fhoireann díospóireachta nó clár na gcomhlachtaí a bhí seans againn go léir a bheith páirteach dá mbeimis sásta páirt a ghlacadh.

Throughout the year we all got involved in many different teams whether it was the debate team or the junior achievements competition we all had the opportunity to involved if we were willing to partake. In other words fourth year is what YOU make it.

TIOMSAITHEOIR AIRGID/ FUNDRAISERS

Tá obair iontach déanta ag an gceathrú bliain i mbliana do thiomsú airgid do alán catharnachtaí iontacha. Ba é ár tiomsaitheoir airgid is mó ná ár margadh na nollaig a d'ardaigh níos mó ná 1,000 euro do Chuardach agus Tarrtháil Chill Airne. Tá go leor laethanta gan éide scoile déanta againn agus díolacháin bhácáil le haghaidh catharnachtaí carthanas iontach.

Fourth year have done amazing work this year fundraising for so many brilliant charities. Our biggest fundraiser was our Christmas market that raised over 1,000 euro for Killarney Search and Rescue. We have done many non-uniform days and bakes sales for loads of amazing charities.

CÚRSAÍ/ COURSES

Mar chuid den idirbhliain, ghlacamar páirt i go leor cúrsaí éagsúla de gach saghas a chabhraigh linn forbairt in ár n-aonar agus mar ghrúpa.

As part of transition year, we got to partake in numerous different courses of every kind which helped us develop individually and as a group.

GARCHABHAIR/ FIRST AID

AISTEOIREACHT/ ACTING LE BERNARD CASEY

DRIVE FOR LIFE

GRIANGRAFADÓIREACHT/ PHOTOGRAPHY

CÚRSA FORBAIRT INTINNE/ MIND DEVELOPMENT COURSE

TAITHÍ OIBRE/ WORK EXPERIENCE

Faigheann an ceathrú bliain an deis taithí a fháil ar roinnt bealaí éagsúla. Is é an bealach is fearr ná trí thaithí oibre agus fuair ár rang go léir seans dul ar a n-aistear féin tríd é sin a dhéanamh.

Fourth year get the chance to gain experience in a number of ways. The best way is through work experience and our entire class got to go on their own individual journeys by doing so.

OBAIR DEONACH/ VOLUNTARY WORK

- Ceapann a lán daoine go dtógann an idirbhlain go bog é i gcónaí ach is bréige é sin. Bhí laethannta ann gur chaitheamar an lá ag obair go crua do dhaoine eile. Chaitheamar lá amháin cúpla mí ó shin ag plandáil bulbanna in san bpáirc nua i gCúil Aodha agus tá súil againn na torthaí a fheiscint i gcúpla seachtaine!
- A lot of people seem to think that transition year usually take it easy but that's a lie. There were days where we spent the day working for other people. We spent a day a few months ago planting bulbs in the new park in Coolea and we hope to see the results in a few weeks!

RANGANNA/ CLASSES

Ní raibh aon am ar bith ar scoil nach bhfuaireamar taithí/foghlaim agus ní haon eisceacht iad ranganna. Níor thógamar go bog é - leanamar orainn ag foghlaim faoi gach ábhar ar leith agus fiú rinne muid gníomhaíochtaí a bhaineann le gach ábhar chomh maith le linn am ranga. Sampla maith de seo ná bitheolaíocht ina raibh cúrsa bithéagsúlachta againn gach seachtain (ar feadh roinnt seachtainí as a chéile) agus chuamar taobh amuigh don lá agus d'fhoghlaimíomar go leor faoin mbithéagsúlacht in Éirinn ó ghairmí. Anois is minic a théimid lasmuigh agus plandáilimid rudaí don bpolathollán na scoile le linn na bitheolaíochta. Cuidíonn na taithí foghlama seo go mór linn cinneadh a dhéanamh faoi na hábhair ar mhaith linn a dhéanamh don Ardteist.

There wasn't a single time in school where we didn't gain experience/learning and classes are no exception. We didn't slack off – we continued learning about each individual subject and even did activities related to each subject as well during class time. A good example of this is biology when we had a biodiversity course each week (for several weeks in a row) and we went outside for the day and learned lots about the biodiversity in Ireland from a professional. Nowadays we frequently go outside and plant things for the school's polytunnel during Biology. These learning experiences help us vastly to decide on which subjects we'd like to do for the Leaving Cert.

EICEOLAÍOCHT/ ECOLOGY

CAINTEOIRÍ/ SPEAKERS

Chomh maith, fuaireamar an phribhléid ollmhór éisteacht agus plé a dhéanamh le go leor cainteoirí uathúla ar líne agus go bhfisiciúil. Bhí sé go hiontach foghlaim faoina dtaithí go léir agus murach iad, ní mheasfaimis cineálacha conairí ghairme éagsúla.

We also got the huge privilege to listen and engage with many unique speakers both online and in person. It was thrilling to learn about all their experiences and if it weren't for them, we wouldn't have considered different kinds of career paths.

CONCLÚID

- Faoi dheireadh muna rinneamar an idirbhliain ní mbeidh an méid deiseanna éagsúla againn don tomhcaí. Anuas ar sin foghlaimíomar níos mó faoina chéile agus táimar in ann comhoibriú mar grúpa. Tá smaoineamh maith againn cad go mbeidh á dhéannamh againn don ard teist agus amach anseo.
